WHEN YOU ARE CONSTIPATED
To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. WEAK, NERVOUS, ALL RUN-DOWN
Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. B. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui... that I was improving. The result was surprising. I felt like a different person."
"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night. I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me... My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."
Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments.

THE STRAND CHANGES HANDS
The many Cookeville friends of John Milton will regret to learn that he has sold his moving picture theatre, "The Strand" and will return to his old home at Shelbyville for a time at least. Mr. Milton has been prominently identified with the business interests of Cookeville for seven years, during which time he has made many warm friends by his genial manner and square business dealings. He anticipates a trip to the West during the latter winter and early spring months to recuperate his health. He says he is not burning any bridges behind him, however, and that it is highly probable he will wander back to Cookeville town some of these days to enter business of some kind.

The Strand has been taken over by Messrs. J. R. Carpenter and E. C. Reeves who will continue to operate this popular theatre in the same efficient and pleasing manner to which the public has been accustomed in the past.

FEDERAL COURT

Federal court re-convened here Monday, after an adjournment of two weeks, with Judge J. W. Ross of Jackson again presiding.

The noted West Tennessee jurist is pursuing the same strict course which characterized the beginning of the term last month, and is making a record in the dispatch of business. Hundreds of cases have been disposed of by him, and if the fines assessed are paid promptly the government will be many dollars richer by January 1st, 1922, than when the court convened in November.

TAKING DESPERATE CHANCES.

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle? For sale by Womack Drug Co.—Advertisement.
